Dear Sir:

The information listed in the accompanying form PTO/SB/08 and provided herewith may be material to examination of this application and is submitted in compliance with the duty of disclosure under 37 C.F.R. § 1.56. The Examiner is requested to make this information of record in the application.

Copies of the non-U.S. patent references are included in this filing.

This Information Disclosure Statement is not to be construed as a representation that a full search for relevant information has been made, that all relevant information has been found, or that the information provided with this Statement is considered to be material to patentability of the claimed invention as defined under 37 C.F.R. § 1.56(b).

Applicants state that this Information Disclosure Statement is being filed concurrently with a Request for Continued Examination (RCE) and therefore no fee is due. Should any additional fees be required for further consideration of the application and the enclosed information, the Commissioner is hereby authorized to charge such fees (or credit any overpayment) to Deposit Account 07-1139 (Ref. 135/003P).

Respectfully submitted,

E. Stewart Mittler
